

GET TO KNOW YOUR SERVICE STAFF:

MATT ARTS

My name is Matt Arts, I have worked at Valparaiso Lakes Area Conservancy District for five years. I am a Field Maintenance and Equipment Operator. I came to the VLACD after working for the town of New Chicago. I have 20 years in water/sewer installation, maintenance and repair. Previously I was a Fire-Fighter for the Lake Station Fire Department. I am married to a beautiful woman who has given us two wonderful daughters, aged 10 and 13. Other than my work and raising my family, I am an avid fisherman and camper. I also enjoy cooking on the grill. For the past year I have been serving on the Salvation Army Advisory Board. I have enjoyed my tenure with the Lakes Area Conservancy District and its customers.
